

Installation: 15 kV Breaker - Unit Electrical Engineering, OK Falls, Canada

This ISM15 LD breaker was supplied for a high rise project. It is mounted upside down.

The circuit breaker is rated 15 kV, 800 amps, 20 kA interrupting, 95 kV BIL. It can perform 50,000 C-O operations at rated current, 200 full short circuit operations and is virtually maintenance free for 25 years. It was supplied in 2Q2009.

The Tavrada Electric Bottle Type breaker is a cost effective, compact and an extremely reliable solution. It is backed by a full 5 year warranty, which also applies to the associated Tavrada Electric control module.
